

December 2003

Dear Valued Customer:

Our DH80 is now **NYC MEA Approved!**

The DH80 is a MEA Approved and cULus listed for Light Hazard, Extended Coverage Quick Response. This sprinkler provides coverage up to 28ft. in width and a length of 14ft. and is designed for long and narrow applications such as:

- **Hallways**
- **Corridors**
- **Decks**
- **Rooms up to 28ft. long**

They can be mounted between 4 and 12 inches down from the ceiling. Install 1 sprinkler instead of 2 with the DH80!

Enclosed is a revised Bulletin #003.

Thank you again for choosing Reliable products for your fire protection needs.

Sincerely,

Michael R. Fee
