

## System Components Pricing Update!

November 2005

Dear Customer:

Reliable was recently informed of a price increase effective January 2, 2006 from Nibco and our Import Trim Valve, FDC and Miscellaneous product supplier. The increase will be as follows:

- **All Nibco Products** 7 to 8 %
  - OS&Y Valves, Check Valves, PIV Valves and Posts, Butterfly Valves, and Butterball Valves
- **Import Brass Valves** 5 to 12 %
- **Import FDC** 5 to 12 %
- **Wall Plates and Signs** 5 to 12 %
- **Accessories** 5 to 12%
  - Caulk and Walk, Teflon Tape, and Pipe Dope

Because of this increase, Reliable will be increasing List Prices to all of our customers effective **January 2, 2006**.

Please take the time to review your requirements for these products and place an order with us prior to December 23rd for shipment no later than December 30th. We will not be able to hold pricing or ship product at the old price after **December 30, 2005**. Please get your orders in early.

In addition we will be updating our System Component price sheets in order to better serve our customers. We regret the fact that we have to increase our pricing, but we do so only as a result of the price increases that we receive from our suppliers.

Our amended pricing will be posted on the Reliable website at [www.reliablesprinkler.com](http://www.reliablesprinkler.com) and will be available by **December 9th**. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman  
Vice President, System Components
