System Components Pricing Update!

August 2005

Dear Customer:

Reliable was recently informed of a price increase effective October 3, 2005 from Anvil International. The increase will be as follows:

- **Domestic Cast Iron Threaded Fittings** 5 %
- **SPF Foreign Cast Iron Threaded Fittings** 12 %
- **SPF Foreign Ductile Iron Threaded Fittings** 12 %

Because of these increases, Reliable will be increasing List Prices to all of our customers effective **October 3, 2005**.

Please take the time to review your requirements for these products and place an order with us prior to **September 23rd** for shipment no later than **September 30th**. We will not be able to hold pricing or ship product at the old price after **September 30, 2005**. Please get your orders in early.

In addition, we will be adding and updating some of our other System Components price pages in order to better serve our customers.

We regret the fact that we have to increase our pricing, but we do so only as a result of the price increases that we receive from our suppliers.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com and will be available by **September 16th**. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
