

## System Components Pricing Update!

February 2005

Dear Customer:

Reliable was recently informed of a price increase effective March 1, 2005 from Harvel and Spears Manufacturing on all CPVC Pipe and Fittings. The increase will be as follows:

- **Harvel** 10 %
- **Spears Manufacturing** 10 - 12 %

Because of these increases, Reliable will be increasing List Prices to all of our customers effective **March 1, 2005**.

Please take the time to review your requirements for these products and place an order with us prior to **February 21st** for shipment no later than **February 25th**. We will not be able to hold pricing or ship product at the old price after **March 1, 2005**. Please get your orders in early.

We regret the fact that we have to increase our pricing, but we do so only as a result of the price increases that we receive from our suppliers.

Our amended pricing will be posted on the Reliable website at [www.reliablesprinkler.com](http://www.reliablesprinkler.com) and will be available by **February 14th**. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman  
Vice President, System Components
