

System Components Pricing Update!

June 2005

Dear Customer:

Reliable was recently informed of a price increase effective July 1, 2005 from Gast Manufacturing and Metraflex. The increase will be as follows:

- **Gast Tank Mounted Air Compressors** 10 %
- **All Other Gast Compressors** 5 %
- **Metraflex Fireloop** 5 to 10 %

Because of this increase, Reliable will be increasing List Prices to all of our customers effective **August 1, 2005**.

Please take the time to review your requirements for these products and place an order with us prior to **July 25th** for shipment no later than **August 1st**. We will not be able to hold pricing or ship product at the old price after **August 1, 2005**. Please get your orders in early.

In addition we will be updating our System Components price sheets in order to better serve our customers.

We regret the fact that we have to increase our pricing, but we do so only as a result of the price increases that we receive from our suppliers.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com and will be available by **July 18th**. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
