

Price Update - Change!

May 2005

Dear Valued Customer:

The previously announced June price increase on all Reliable Manufactured Products has been pushed back. The **new effective date** is **August 1, 2005**.

We've decided to make this change in order to allow you more time to place your orders with us. All orders shipped **after** August 1, 2005 will be billed at the new prices. We are currently working on our 2005 Price Book on CD and will mail it to you under separate cover in the coming weeks.

We strive to provide the latest advancements in technology combined with the highest level of quality and customer service. We thank you for your continued support of Reliable Equipment.

Sincerely,

Michael R. Fee
