

## System Components Pricing Update!

February 2006

Dear Customer:

Reliable was recently informed of price increases effective March 27, 2006 from Erico Hangers and Spears Manufacturing. The increases will be as follows:

- **Erico Hangers Products** 3 - 6 %
- **Spears Manufacturing** 10 - 11 %

Because of these increases, Reliable will be increasing List Prices to all of our customers effective **March 27, 2006**.

Please take the time to review your requirements for these products and place an order with us prior to March 20th for shipment no later than March 24th. We will not be able to hold pricing or ship product at the old price after March 27, 2006. Please get your orders in early.

In addition we will be updating our System Component price sheets in order to better serve our customers.

We regret the fact that we have to increase our pricing, but we do so only as a result of the price increases that we receive from our suppliers.

Our amended pricing will be posted on the Reliable website at [www.reliablesprinkler.com](http://www.reliablesprinkler.com) and will be available by March 20th. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman  
Vice President, System Components
