

## System Components Pricing Update!

July 2006

Dear Customer:

Reliable was recently informed of a price increase effective September 5, 2006 from System Sensor. The increase will be as follows:

- **System Sensor** **7 - 10 %**

Because of this increase, Reliable will be increasing List Prices to all of our customers effective **September 5, 2006**.

Please take the time to review your requirements for these products and place an order with us prior to August 28th for shipment no later than September 1st. We will not be able to hold pricing or ship product at the old price after September 1, 2006. Please get your orders in early.

In addition we will be updating our System Components price sheets in order to better serve our customers.

We regret the fact that we have to increase our pricing, but we do so only as a result of the price increases that we receive from our suppliers.

Our amended pricing will be posted on the Reliable website at [www.reliablesprinkler.com](http://www.reliablesprinkler.com) and will be available by August 14th. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman  
Vice President, System Components
