Important Product Announcement - **G1 Concealed Sprinkler is Discontinued**

January 2007

The Model G1 Concealed Automatic Sprinkler is discontinued. We will continue to sell the G1 Coverplate for replacements only.

Reliable recommends the Model **G4 Concealed Automatic Sprinkler as a replacement**. The G4 is cULus listed and is the most versatile concealed sprinkler available. It provides the best form of fire protection while offering an attractive appearance and ½" (13mm) of cover adjustment for ease of installation.

Please see **Bulletin 121** for design and installation data on the G4 Concealed Sprinkler.

If you have any questions, please contact our Technical Services Team at 1.800.55.RASCO or 864.843.5227.
