System Components Pricing Update!

November 2007

Dear Customer:

Reliable was recently informed of price increases effective January 1, 2008 from Gast and Nibco. The increases will be as follows:

- **Gast Air Compressors** 3 to 6 %
- **Nibco Fire Protection Valves** 5 to 8 %

Because of this increase, Reliable will be increasing List Prices to all of our customers effective **January 1, 2008**.

Please take the time to review your requirements for Gast Air Compressors and Nibco Valves and place an order with us prior to December 21st for shipment no later than December 28, 2007. We will not be able to hold pricing or ship product at the old price after December 28th.

In addition we will be updating our System Components price sheets in order to better serve our customers.

We regret the fact that we have to increase our pricing, but we do so only as a result of the price increases that we receive from our suppliers.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com and will be available on December 14th. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line and wish you and your family a very happy holiday season.

Sincerely,

Rex Schwendiman
Vice President, System Components
