System Components Pricing Update!

October 2007

Dear Customer:

Reliable was recently informed of price increases effective December 3, 2007 from Harvel Plastics and The Milwaukee Valve Company. The increases will be as follows:

- **Harvel CPVC Pipe** 6 to 7 %
- **Milwaukee Butterball Valves** 5 to 6 %

Because of these increases, Reliable will be increasing List Prices to all of our customers effective **Monday, December 3, 2007**.

Please take the time to review your requirements for CPVC Pipe and Milwaukee Butterball Valves and place an order with us prior to November 23rd for shipment no later than November 30, 2007. We will not be able to hold pricing or ship product at the old price after November 30th. In addition, there could be allocations on CPVC Pipe so get your orders in early.

In addition we will be updating our System Components price sheets in order to better serve our customers.

We regret the fact that we have to increase our pricing, but we do so only as a result of the price increases that we receive from our suppliers.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com and will be available on November 26th. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
