## System Components Pricing Update!

April 2007

Dear Customer:

Reliable was recently informed of price increases effective May 31, 2007 from Anvil/Star, Milwaukee Butterball Valves, and Nibco. The increases will be as follows:

- **Anvil/Star Domestic Fire Products** 5 %
- **Anvil/Star Import Grooved Products** 5 %
- **Anvil/Star Ductile Iron Flange Fittings** 9 to 10 %
- **Nibco Fire Protection Valves** 6 to 7 %
- **Milwaukee Butterball Valves** 5 %

Because of these increases, Reliable will be increasing List Prices to all of our customers effective **June 4, 2007**.

Please take the time to review your requirements for Domestic and Foreign Grooved Products, Flange Fittings, and Fire Protection Valves and place an order with us prior to **May 25th** for shipment no later than **June 1st**. We will not be able to hold pricing or ship product at the old price after the specified ship date.

### PRICE ROLL BACK NOTIFICATION

On April 17th Harvel Plastics rolled back their 6 % increase on CPVC Pipe that went into effect on March 5, 2007. This roll back is due to increased pricing pressure from the marketplace and our desire to keep our customers competitive. This roll back pricing will be evaluated in three (3) months to determine further pricing strategies. Reliable's pricing on CPVC Pipe has been adjusted on Tuesday, April 17th, as well and the List Price that was in effect at the end of February has gone back into effect on that date. If you have any questions, please contact your local Reliable sales office for further details.

In addition we will be updating our System Components price sheets in order to better serve our customers.

We regret the fact that we have to increase our pricing, but we do so only as a result of the price increases that we receive from our suppliers and we hope that the CPVC Plastic Pipe roll back will help you be more competitive in the marketplace.

Our amended pricing will be posted on the Reliable website at [www.reliablesprinkler.com](http://www.reliablesprinkler.com) and will be available on May 21st. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman  
Vice President, System Components
