System Components Pricing Update!

September 2007

Dear Customer:

Reliable was recently informed of a price increase effective October 1, 2007 from Croker. The increase will be as follows:

- **Croker Fire Department Equipment** **6 to 7 %**

Because of this increase, Reliable will be increasing List Prices to all of our customers effective **October 1, 2007**.

Please take the time to review your requirements for Croker Fire Department Equipment and place an order with us prior to **September 24th** for shipment no later than **September 28, 2007**. We will not be able to hold pricing or ship product at the old price after September 28th.

In addition we will be updating our System Components price sheets in order to better serve our customers.

We regret the fact that we have to increase our pricing, but we do so only as a result of the price increases that we receive from our suppliers.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com and will be available on September 14th. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
