

Price Update!

April 2007

Dear Valued Customer:

The costs of materials and other operating expenses continue to rise; therefore, we will be increasing our current List Prices on all Reliable Manufactured Products by approximately 4% to 8% effective **Friday, June 1, 2007**.

All orders shipped **before June 1, 2007 will be invoiced at the old prices**. All orders shipped **on or after** June 1st will be billed at the new prices. Please anticipate your needs and get your orders in early. All orders placed at the current pricing will only be accepted subject to product availability.

An updated List Price Book on CD will be mailed to you in the coming weeks. The new List Prices will be available in advance on our website at www.reliablesprinkler.com.

We thank you for your understanding and continued support of Reliable.

Sincerely,
