System Components Pricing Update!

February 2008

Dear Customer:

Reliable was recently informed of price increases effective March 17, 2008 from Anvil/Star, Spears Manufacturing and Erico. The increases will be as follows:

- **Erico Hanger Equipment** 5 to 10 %
- **Spears Manufactured CPVC Fittings** 6 to 7 %
- **Anvil SPF Imported Cast Iron Threaded and Flanged Fittings** 12 to 14 %
- **Anvil SPF Imported Ductile Threaded and Flanged Fittings** 12 to 14 %
- **Anvil SPF Imported Grooved Products** 12 to 14 %
- **Anvil SPF Imported O-lets** 7 to 9 %
- **Anvil Domestic Cast and Malleable Iron Fittings** 7 to 9 %
- **Anvil Gruvlok** 8 to 10 %
- **All Merit Brand Products** 7 to 9 %

Because of these increases, Reliable will be increasing List Prices to all of our customers effective **March 17, 2008**. We regret the fact that we have to raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for Anvil/Star Products, Spears CPVC Fittings, and Erico Hanger Equipment and place an order with us prior to March 10th for shipment no later than March 14, 2008. We will not be able to hold pricing or ship product at the old price after the specified ship date.

In addition we will be updating our System Components price sheets in order to better serve our customers.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com and will be available on March 10th. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
