System Components Pricing Update!

March 2008

Dear Customer:

Reliable was recently informed of price increases effective April 28, 2008 from the following vendors: System Sensor, Seminole, Vulcan, Milwaukee, and Aquaflex. The increases will be as follows:

- **System Sensor Electrical Equipment** 5 to 6 %
- **Seminole Steel Nipples** 7 to 8 %
- **Vulcan All Thread Rod** 25 %
- **Milwaukee Butterball Valves** 8 to 10 %
- **Aquaflex Flexible Drop Nipples** 5 to 6 %

Because of these increases, Reliable will be increasing List Prices to all of our customers effective **April 28, 2008**. We regret the fact that we have to raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for System Sensor Electrical Equipment, Seminole Pipe Nipples, Vulcan All Thread Road, Milwaukee Buttervall Valves, and Aquafle Flexible Drop Nipples and place an order with us prior to April 18th for shipment no later than April 25, 2008. We will not be able to hold pricing or ship product at the old price after April 25th.

In addition we will be updating our System Components price sheets in order to better serve our customers.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com and will be available on April 14th. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
