System Components Pricing Update!

May 2008

Dear Customer:

Reliable was recently informed of price increases effective June 2, 2008 from the following vendors: FPPI and Erico. The increases will be as follows:

- **Erico Hangers** 10 to 12 %
- **FPPI Equipment** 5 to 12 %

Because of these increases, Reliable will be increasing List Prices to all of our customers on **June 2, 2008**. We regret the fact that we have to raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for Erico Hanger Equipment and FPPI Valves and Miscellaneous Products, and place an order with us prior to May 23rd for shipment no later than May 30, 2008. We will not be able to hold pricing or ship product at the old price after May 30th.

In addition we will be updating our System Components price sheets in order to better serve our customers.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com and will be available on May 19th. The file can be downloaded from the site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
