

Price Update!

December, 2008

Dear Valued Customer:

Because of rising material, labour, energy and transportation costs, we will be increasing current List Prices on all Reliable Manufactured Products by approximately 9 %.

These increases are effective from [Monday, 5th January, 2009](#).

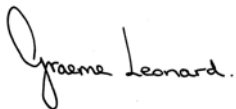

All orders shipped [before Monday, 5th January, 2009](#) will be invoiced at the old prices. All orders shipped [on or after Monday, 5th January, 2009](#), will be invoiced at the new prices.

Please anticipate your needs and get your orders in early. **All orders placed at the current pricing will only be accepted subject to product availability.**

We regret the fact that we have to increase our pricing, but we do so only as a result of the increases in our costs.

We thank you for your understanding and continued support of Reliable.

Sincerely,

Graeme Leonard
Vice President, International Sales & Operations
