System Components Pricing Update!

December 2008

Dear Customer:

We are in the process of updating our System Components price sheets that you will need to put into your pricing from Reliable. You will note that there have been several price changes and corrections including a reduction in price on our Foreign Cast Iron and Ductile Iron Fittings.

If you have any questions, please contact your local Reliable distribution center and they will be happy to help you with any of the questions you may have. In addition, thank you for your continued support of Reliable manufactured products and our System Components program.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Schwendiman".

Rex Schwendiman
Vice President, System Components
