

SYSTEM COMPONENT PRICING UPDATE

Dear Customer:

Reliable was recently informed of price increases from the following vendors:

<u>Manufacturer</u>	<u>Products</u>	<u>Average % Increase</u>	<u>Effective Date</u>
Croker	FDC Equipment and Accessories	3%-4%	04-15-2019
Apollo	Backflow Valves	5%-6%	04-15-2019

Because of this, Reliable will be adjusting these list prices for all our customers on April 15, 2019. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to April 8, 2019 for shipment no later than April 12, 2019. We will not be able to hold pricing or ship product at the old price after April 12, 2019.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Component product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
