

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of a price increase from the following vendor:

<u>Manufacturer</u>	<u>Products</u>	<u>Average % Increase</u>	<u>Effective Date</u>
STI	Fire Caulk	6% - 7%	April-19-2021

Because of this, Reliable will be adjusting these list prices for all customers on April 19, 2021. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners. This price increase is based on shortages in the market and our vendor partner was not able to give more than a 15 day notice due to force majeure.

Please take the time to review your requirements for the product listed above and place an order with us prior to April 12, 2021 for shipment no later than April 16, 2021. We will not be able to hold pricing or ship product at the old price after April 16, 2021.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
