

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Please be advised of the following price increases:

Manufacturer	Products	Average % Increase	Effective Date
ITW	Dektite® Pipe Flashing Boots and Hangers	5% - 9%	Aug-2-2021
Milwaukee Valve	All Valves	7% - 8%	Aug-2-2021
TOLCO™	Hangers	20%- 21%	Aug-2-2021

Because of this, Reliable® will be adjusting these list prices for all customers on August 2, 2021. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners. All manufacturers are limiting the amount of product that can be purchased when increases are announced. Please keep this in mind when you are placing an order. Increased purchasing during this time could also result in unexpected material shortages.

Please take the time to review your requirements for the products listed above and place an order with us prior to July 26, 2021 for shipment no later than July 30, 2021. We will not be able to hold pricing or ship product at the old price after July 30, 2021. As previously noted, order quantities may be limited.

Amended pricing will be posted on the Reliable® website just prior to the effective date. Please download the new prices from www.reliablesprinkler.com.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
