Dear Customer,

Reliable® was recently informed of price increases from the following vendors:

Vendor	Products	Average Increase	Effective Date

Safe Signal™	All Products	9% to 10%	08-29-2022
ASC Engineered Solutions	Gruvlok Domestic Grooved	9% to 10%	08-29-2022

Because of these announced increases, Reliable® will be adjusting list prices for these products for all customers on August 29, 2022. As always, we regret that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to August 22, 2022 for shipment no later than August 26, 2022. We will not be able to hold pricing or ship product at the old price after August 26, 2022.

Our amended pricing will be posted on the Reliable® website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.
