

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer,

Please be advised of the following price increases:

| <u>Supplier</u> | <u>Products</u> | <u>Average % Increase</u> | <u>Effective Date</u> |
|----------------------------|------------------|---------------------------|-----------------------|
| General Air Products | All Products | 6% - 21% | Dec-6-2021 |
| Reliable® | QRM2 Compressors | 15%-16% | Dec-6-2021 |
| Brecco | All Products | 7% - 8% | Dec-6-2021 |
| Potter Electric Signal Co. | All Products | 4% - 5% | Dec-6-2021 |

Because of this, Reliable® will be adjusting these list prices for all customers on December 6, 2021. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to November 29, 2021 for shipment no later than December 3, 2021. We will not be able to hold pricing or ship product at the old price after December 3, 2021.

Our amended pricing will be posted on the Reliable® website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
