

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of prices increases from the following vendors:

Manufacturer	Products	Average % Increase	Effective Date
PHD	All Hanger Material	5% - 6%	Feb-15-2021
PHD	Seismic	5% - 6%	Feb-15-2021
PHD	Metal Framing Strut and Channel	8% - 10%	Feb-15-2021
Wilkins	Backflow Preventors/Fire Products	4% - 5%	Feb-15-2021
United Brass	Bronze and Ductile Iron Valves	5% - 6%	Feb-15-2021

Because of this, Reliable® will be adjusting these list prices for all customers on February 15, 2021. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to February 8, 2021 for shipment no later than February 12, 2021. We will not be able to hold pricing or ship product at the old price after February 12, 2021.

Our amended pricing will be posted on the Reliable® website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
