

SYSTEM COMPONENT PRICING UPDATE

Dear Customer:

Reliable was recently informed of price increases from the following vendor:

<u>Manufacturer</u>	<u>Products</u>	<u>Average % Increase</u>	<u>Effective Date</u>
Spears Manufacturing	CPVC Pipe	3%	2-3-2020
Spears Manufacturing	CPVC Fittings and Accessories	5%	2-3-2020

Because of this, Reliable will be adjusting these list prices for all our customers on February 3, 2020. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to January 27, 2020 for shipment no later than January 31, 2020. We will not be able to hold pricing or ship product at the old price after January 31, 2020.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Component product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
