

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of price increases from the following vendors:

Manufacturer	Products	Average % Increase	Effective Date

Deringer™	All Backflow Products	5%-6%	Jan-4-2021

Because of this, Reliable will be adjusting these list prices for all customers on January 4th, 2021. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to December 28th, 2020 for shipment no later than December 31st, 2020. We will not be able to hold pricing nor ship product at the old price after December 31st, 2020.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,
