

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of a price increase from the following vendor:

Manufacturer	Products	Average % Increase	Effective Date
Spears® Manufacturing Company	All CPVC Pipe, Fittings, Solvent Cement and Ancillary Products	5%	01-03-2022

Because of these announced increases, Reliable® will be adjusting list prices for these products for all customers on January 3, 2022. Spears has stated the reason for the increase is based on logistics, material, and labor costs. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to December 20, 2021, for shipment no later than December 30, 2021. We will not be able to hold pricing or ship product at the old price after December 30, 2021.

Our amended pricing will be posted on the Reliable® website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
