ASC Engineered Solutions	SCI O-Lets	14% - 15%	Jul-26-2021
ALL Manufacturers	Steel Nipples	6% - 7%	Jul-26-2021
GAST®	All Air Compressors	6% - 7%	Jul-26-2021
NIBCO®	Fire Protection Iron and Bronze Valves	6% - 7%	Jul-26-2021

Because of this, Reliable® will be adjusting these list prices for all customers on July 26, 2021. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners. We have also been informed by these manufacturers that they are reserving the right to limit order quantities based on historical purchase patterns and will enforce this restriction as needed. This could result in shortages of available material, so it is important to place orders well ahead of the increase.

Please take the time to review your requirements for the products listed above and place an order with us prior to July 19, 2021 for shipment no later than July 23, 2021. We will not be able to hold pricing or ship product at the old price after July 23, 2021. As previously noted, order quantities may be limited.

Amended pricing will be posted on the Reliable® website just prior to the effective date. Please download the new prices from www.reliablesprinkler.com.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
