

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of price increases from the following vendor:

<u>Manufacturer</u>	<u>Products</u>	<u>Average % Increase</u>	<u>Effective Date</u>
Noble Company	FireFighter® Antifreeze Glycerine	36%-37%	Jul-20-2021
Noble Company	FireFighter® Antifreeze Propylene Glycol	68%-74%	Jul-20-2021

Because of this, Reliable® will be adjusting these list prices for all customers on July 20, 2021. This increase is being instituted as a result of Force Majeure with glycerine and propylene glycol becoming scarce due to a dwindling supply of bio-diesel derived products. Our supplier has not extending any grace period and as a result we are announcing this increase with an immediate increase date.

Our amended pricing will be posted on the Reliable® website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
