

## SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Please be advised of the following price increases:

<b>Manufacturer</b>	<b>Products</b>	<b>Average % Increase</b>	<b>Effective Date</b>
ASC Engineered Solutions	SCI Ductile Iron Threaded Fittings	13%	Jun-28-2021
ASC Engineered Solutions	SCI Cast Iron Threaded Fittings	13%	Jun-28-2021
ASC Engineered Solutions	SCI Malleable Iron Threaded Fittings	13%	Jun-28-2021
ASC Engineered Solutions	SCI Flanged Fittings	13%	Jun-28-2021
Titus Industrial	Grooved Fire Products	10%	Jun-28-2021
Reliable®	Test and Drain	8% - 9%	Jun-28-2021

Because of this, Reliable will be adjusting these list prices for all customers on June 28, 2021. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners. This increase comes on short notice due to the Chinese Government cancelling the 13% tax rebate. This Force Majeure event went into effect May 1, 2021. Due to demand, there may be limitations on the quantity supplied in order to preserve product availability during these unprecedented times.

Please take the time to review your requirements for the products listed above and place an order with us prior to June 21, 2021 for shipment no later than June 25, 2021. We will not be able to hold pricing or ship product at the old price after June 25, 2021.

Amended pricing will be posted on the Reliable website just prior to the effective date. Please download the new prices from [www.reliablesprinkler.com](http://www.reliablesprinkler.com).

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman  
Vice President, System Components
