Because of this, Reliable® will be adjusting these list prices for all customers on June 28, 2021. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to June 21, 2021 for shipment no later than June 25, 2021. We will not be able to hold pricing or ship product at the old price after June 25, 2021.

Amended pricing will be posted on the Reliable® website just prior to the effective date. Please download the new prices from www.reliablesprinkler.com.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,
