

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of price increases from the following vendor:

<u>Manufacturer</u>	<u>Products</u>	<u>Average % Increase</u>	<u>Effective Date</u>
Spears	Solvent Cement and Accessories	14%	May-10-2021
Spears	Non-FlameGuard® Products	5% - 6%	May-10-2021

Because of this, Reliable® will be adjusting these list prices for all customers on May 10, 2021. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners. This increase has a short window because of raw material shortages and logistics.

Please take the time to review your requirements for the products listed above and place an order with us prior to May 3, 2021 for shipment no later than May 7, 2021. We will not be able to hold pricing or ship product at the old price after May 7, 2021.

Amended pricing will be posted on the Reliable® website just prior to the effective date. Please download the new prices from www.reliablesprinkler.com.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
