

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of prices increases from the following vendor:

<u>Manufacturer</u>	<u>Products</u>	<u>Average % Increase</u>	<u>Effective Date</u>
Spears Manufacturing	All FlameGuard® Pipe, Fittings and Ancillary products	5% - 6%	May-17-2021
Spears Manufacturing	Solvent Cement, Primer Products & Accessories	5% - 6%	May-17-2021

Because of this, Reliable® will be adjusting these list prices for all customers on May 17, 2021. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners. Due to extreme pressure on the raw materials needed to manufacture CPVC products the manufacturer has only given us a 14 day notice and effective date for this increase. We will do everything we can to accommodate orders that are placed ahead of the schedule noted below.

Please take the time to review your requirements for the products listed above and place an order with us prior to May 10, 2021 for shipment no later than May 14, 2021. We will not be able to hold pricing or ship product at the old price after May 14, 2021.

Amended pricing will be posted on the Reliable® website just prior to the effective date. Please download the new prices from www.reliablesprinkler.com.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
