

## SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of a price increase from the following vendor:

<b>Manufacturer</b>	<b>Products</b>	<b>Average % Increase</b>	<b>Effective Date</b>
C-Aire® Compressors	Air Compressors, Components and Accessories	2%- 8%	May 1, 2023

Because of this, Reliable® will be adjusting these list prices for all customers on May 1, 2023. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to April 24, 2023, for shipment no later than April 28, 2023. We will not be able to hold pricing or ship product at the old price after close of business on April 28, 2023.

Our amended pricing will be posted on the Reliable website at [www.reliablesprinkler.com](http://www.reliablesprinkler.com). Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman  
Sr. Vice President, System Components
