

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable was recently informed of price increase from the following vendor:

<u>Manufacturer</u>	<u>Products</u>	<u>Average % Increase</u>	<u>Effective Date</u>
Talco Fire Systems	All Fire Protection Products	2%-11%	Feb 19, 2024

Because of this, Reliable will be adjusting these list prices for all customers on February 19, 2024. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to February 12, 2024 for shipment no later than February 16, 2024. We will not be able to hold pricing or ship product at the old price after close of business on February 16, 2024.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Sr. Vice President, System Components
