

## SYSTEM COMPONENTS PRICING UPDATE

Dear Customer,

Reliable was recently informed of price increases from the following vendor:

Vendor	Products	Average Increase	Effective Date
Spears® Manufacturing Company	All CPVC Pipe, Fittings, Valves, Solvent Cement and Ancillary Products	5%	March 25, 2024

Because of these announced increases, Reliable will be adjusting list prices for these products for all customers on March 25, 2024. As always, we regret that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to March 11, 2024 for shipment no later than March 22, 2024. We will not be able to hold pricing or ship product at the old price after March 22, 2024.

NOTE: Orders are subject to stock availability. Please place orders well ahead of the announced date to allow us to allocate inventory to all orders.

Our amended pricing will be posted on the Reliable website at [www.reliablesprinkler.com](http://www.reliablesprinkler.com). Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

A handwritten signature in black ink, appearing to read "Rex Schwendiman".
