

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer,

Reliable® was recently informed that our previously announced increase on CPVC pipe and fittings is being rescinded at this time **except** for the products noted below.

This notice supersedes our previous price increase notification for Spears® products with an effective date of March, 25, 2024.

Vendor	Products	Average Increase	Effective Date
SPEARS	TorqueSafe™ fittings, Brass insert style fittings, Special reinforced plastic thread style fittings, SoftTorque™ fittings, Grooved brass adaptor fittings, GripLok™ style fittings, Transition fittings	5% to 6%	April 22, 2024
SPEARS	Solvent Cement	5% to 6%	April 22, 2024
SPEARS	Tools and Accessories	5% to 6%	April 22, 2024
SPEARS	Valves	5% to 6%	April 22, 2024

Because of this, Reliable will be adjusting these list prices for all customers on April 22, 2024. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to April 15, 2024 for shipment no later than April 19, 2024. We will not be able to hold pricing or ship product at the old price after close of business on April 19, 2024.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Reliable Automatic Sprinkler Co., Inc.
Manufacturer and Distributor of Fire Protection Equipment

Rex Schwendi
Sr. Vice President
