

AMENDED SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® received a revised increase from AMTROL® and an additional increase from Brecco affecting pipe hangers and supports. This notice supersedes our announcement issued on July 17, 2021. Amendments are highlighted below.

<u>Manufacturer</u>	<u>Products</u>	<u>Average % Increase</u>	<u>Effective Date</u>
Ames/WATTS®	Backflow and Valve Products	13% - 14%	Sep-6-2021
AMTROL®	Expansion Tanks	17% - 21%	Sep-6-2021
Brecco	Alarm Bells	10% - 11%	Sep-6-2021
Brecco	Pipe Hangers and Supports	12% - 15%	Sep-6-2021

Because of this, Reliable® will be adjusting these list prices for all customers on September 6, 2021. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to August 30, 2021 for shipment no later than September 3, 2021. We will not be able to hold pricing or ship product at the old price after September 3, 2021.

Our amended pricing will be posted on the Reliable® website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
