Now in stock!

SpecSeal® LCI Firestop Sealant is Compatible with Spears FlameGuard® and BlazeMaster® CPVC Sprinkler Pipe & Fittings

SpecSeal® LCI Firestop Sealant is a water-based intumescent sealant intended for a wide range of through-penetration and construction joint applications.

SpecSeal® LCI Sealant has excellent caulking properties making it easy to apply in vertical applications as well as overhead.

- **Tested for use in through-penetration and construction joint**
 - Can be sanded and painted to match its surroundings
 - Made in USA

FBC™ System Compatible indicates that this product has been tested, and is monitored on an ongoing basis, to assure its chemical compatibility with FlowGuard Gold®, BlazeMaster® and Corzan® pipe and fittings. FBC, FlowGuard Gold, BlazeMaster and Corzan are licensed trademarks of The Lubrizol Corporation.
