

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of price increases from the following vendors:

Manufacturer	Products	Average % Increase	Effective Date
Potter Electric	Fire Sprinkler Monitoring Products	8% - 11%	02-14-2022
Croker	FDC Equipment and Accessories	10% - 11%	02-14-2022

Because of these announced increases, Reliable® will be adjusting list prices for these products for all customers on February 14, 2022. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to February 4, 2022, for shipment no later than February 11, 2022. We will not be able to hold pricing or ship product at the old price after February 11, 2022.

Our amended pricing will be posted on the Reliable® website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components

Reliable Automatic Sprinkler Co., Inc.
