

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of price increases from the following vendors:

Manufacturer	Products	Average % Increase	Effective Date
ASC® Engineered Solutions	Domestic Cast Iron and Malleable Iron Fittings	5% - 6%	July 21, 2025
AMTROL®	Expansion Tanks	5% - 6%	July 21, 2025
C-Aire®	Air Compressors	3% - 6%	July 21, 2025

Because of this, Reliable will be adjusting these list prices for all customers on July 21, 2025. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to July 14, 2025 for shipment no later than July 18, 2025. We will not be able to hold pricing or ship product at the old price after close of business on July 18, 2025.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,
