

## SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of price increases from the following vendors:

<b>Manufacturer</b>	<b>Products</b>	<b>Average % Increase</b>	<b>Effective Date</b>
STI	Fire Caulk Products	10% - 11%	August 18, 2025
Eaton	B-Line/TOLCO Hangers and Seismic	10% - 15%	August 18, 2025
All Manufacturers	Steel Nipples	5% - 6%	August 18, 2025
Milwaukee Valve	Butterball® Valves	10% - 15%	August 18, 2025
Reliable	Threaded Mechanical Tees	16% - 20%	August 18, 2025

Because of this, Reliable will be adjusting these list prices for all customers on August 18, 2025. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to August 11, 2025 for shipment no later than August 16, 2025. We will not be able to hold pricing or ship product at the old price after close of business on August 16, 2025.

Our amended pricing will be posted on the Reliable website at [www.reliablesprinkler.com](http://www.reliablesprinkler.com). Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

A handwritten signature in black ink, appearing to read "Rex Schwendiman".

Rex Schwendiman  
Sr. Vice President, System Components
