

SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

Reliable® was recently informed of prices increases from the following vendors:

<u>Manufacturer</u>	<u>Products</u>	<u>Average % Increase</u>	<u>Effective Date</u>
Noble Company	Antifreeze Products (incl Eliminator 1330)	10% - 12%	September 8, 2025

Because of this, Reliable® will be adjusting these list prices for all customers on September 8, 2025. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to September 1, 2025 for shipment no later than September 5, 2025. We will not be able to hold pricing or ship product at the old price after September 5, 2025.

Our amended pricing will be posted on the Reliable® website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable® want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
Vice President, System Components
