SYSTEM COMPONENTS PRICING UPDATE

Dear Customer:

We were recently informed of price increases from the following vendors:

Manufacturer	Products	Average % Increase	Effective Date
Noble Company	FireFighter® Eliminator 1330™ Antifreeze	5%-6%	Nov 16, 2026
Noble Company	FireFighter® GL48 and GL38 Antifreeze Products	13%-14%	Nov 16, 2026

Because of this, Reliable® will be adjusting these list prices for all customers on **November 16, 2026**. As always, we regret the fact that we must raise our prices, but we do so only as a result of price increases from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to **November 9th, 2026** for shipment no later than **November 13th, 2026**. We will not be able to hold pricing or ship product at the old price after close of business on **November 13th, 2026**. **Reliable also reserves the right to limit order quantities based on historical purchase patterns.**

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Component Business.

Sincerely,

Rex Schwendiman
Sr. Vice President, System Components
