Because of this, Reliable will be adjusting these list prices for all customers on **January 19, 2026**. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

We will not be able to hold pricing or ship product at the old price after close of business on **January 16, 2026**. **Reliable also reserves the right to limit order quantities based on historical purchase patterns.**
