Because of this, Reliable will be adjusting these list prices for all customers on April 6, 2026. As always, we regret the fact that we must raise our prices, but we do so only as a result of the increases that we receive from our manufacturing partners.

Please take the time to review your requirements for the products listed above and place an order with us prior to March 30th, 2026 for shipment no later than April 3rd, 2026. We will not be able to hold pricing or ship product at the old price after close of business on April 3rd, 2026. **Reliable also reserves the right to limit order quantities based on historical purchase patterns**.

Our amended pricing will be posted on the Reliable website at www.reliablesprinkler.com. Please download it from our site.

All of us at Reliable want to thank you for your business and continued support of Reliable's System Components product line.

Sincerely,

Rex Schwendiman
