

UL Listing for JL-17 ESFR - 165°F (74°C)

Reliable Automatic Sprinkler Co., Inc. is proud to announce that we will resume manufacturing our 165°F (74°C) JL-17 ESFR with UL listing as of **March 2, 2015**.

Our 165°F (74°C) JL-17 ESFR passed UL's new Standard #1767, which changed the test for excess clearance.

The sprinkler is now UL Listed and FM Approved for 165°F (74°C) and 212°F (100°C).
